Ognuno di noi dorme 25 anni.
Un'idea agghiacciante. Anche se dormire (a volte)
é vivere.
« SLEEPING-ART » vuole interpretare questi 25 anni
della nostra vita.
Idee, concetti, visioni del nostro dormire.
E non solo dormire.
Perché anche dormire é cultura.
Altrimenti che gusto ci sarebbe a dormire 25 anni?

E per dormire 25 anni in più
é meglio chiedere a ZUCCHI
UN LENZUOLO SERENO.
